Our commitment to excellence extends beyond our work; it encompasses the well-being and career growth of our team members. Here's why Inflite is the place to be:

Job Purpose:

To work in the APU shop carrying out repair and overhaul of 85 and 36 series APU and component repairs in line with quality and safety requirements.

Main Responsibilities and Duties:

- **Overhaul, Inspect, and Repair:** Conduct thorough inspections, overhauls, and repairs of GTCP 85 and 36 series APUs and components according to original manufacturer manuals and instructions.
- **Quality Assurance:** Ensure all quality standards and procedures are strictly observed and maintained.
- **Safety and Compliance:** Establish and maintain a legally compliant and safe working environment.
- **Reporting:** Prepare detailed workshop reports and material reviews to support accurate customer estimates for the purchasing and commercial departments.
- **Risk Assessment:** Undertake comprehensive risk assessments and ensure all safety requirements are met.
- **Customer Focus:** Understand and exceed customer needs and expectations at all times.
- **Procedure Adherence:** Demonstrate a strong knowledge of our Maintenance Organisation Exposition (MOE) and company procedures.
- **Additional Duties:** Perform any other duties within your capabilities as directed by the company.

Skills and Experience Required:

- **Technical Expertise:** Experience with GTCP 85 and/or GTCP 36 series APUs.
- **Regulatory Knowledge:** Understanding of EASA Pt 145 regulatory requirements for maintenance, repair, and overhaul of aircraft components.
- **Aviation Background:** Essential experience in an aviation environment, with a preference for previous experience in a similar role.
- **Technical Proficiency:** Good understanding of MS Office and business systems and procedures.
- **Analytical Skills:** Ability to interpret manuals and accurately record inspection findings.
- **Organisational Skills:** Excellent planning and organisational abilities.
- **Team Player:** Strong written and oral communication skills, with a collaborative approach.
- **Safety Conscious:** Must be highly safety-conscious with a keen attention to detail.
- **Must have your own tools**

What We Offer:

- **Competitive Salary:** We recognise and reward your skills and expertise with a salary that reflects your contributions.
- **Relocation Assistance:** For the right candidate, we can consider relocation assistance to ensure a seamless transition into our team.
- **Generous Annual Leave:** Enjoy increasing annual leave entitlement as you grow with us.
- **Salary Exchange Pension Scheme:** Secure your financial future with our comprehensive pension plan.
- **Employee Assistance Programme:** Receive support for your mental and emotional well-being.
- **Life Assurance:** Gain peace of mind for yourself and your loved ones with our life assurance coverage (subject to scheme rules).
- **Employee Cash Plan:** Access financial assistance for health and well-being-related expenses.
- **Enhanced Maternity and Paternity Schemes:** We support you and your growing family during significant life milestones.
- **Professional Growth and Development:** Access continuous opportunities to enhance your skills and advance your career.
- **State-of-the-Art Equipment and Technology:** Work with cutting-edge tools and technologies.
- **Ongoing Training and Certification Programmes:** Stay up-to-date with the latest industry standards and practices.
- **Career Advancement Opportunities:** Clear paths for progression within our dynamic organisation.
