

Job Title: Pressurisation Technician

Department: Pressurisation Workshop

Location: Southend-on-Sea

Working Hours: 40 hours per week, 0800 hours to 1630 hours, Monday to Friday

Why Join Inflite?

Inflite MRO Services Ltd, a valued member of the esteemed Inflite Group since 1983, stands as a leading European MRO component support provider. Our commitment to excellence extends beyond our work; it encompasses the well-being and career growth of our team members. Here's why Inflite is the place to be:

Job Purpose:

The Pressurisation Technician is responsible for testing, fault finding, repairing, and reassembling mechanical and electro-mechanical products in the pressurisation workshop.

Main Responsibilities and Duties:

- **Testing and Repairs:** Perform tests, fault finding, repairs, and reassembly of products according to original manufacturers' manuals and instructions.
 - **Quality Assurance:** Ensure quality standards and procedures are observed and maintained.
 - **Safety Compliance:** Establish and maintain a legally compliant and safe working environment, conducting risk assessments as necessary.
 - **Reporting:** Prepare workshop reports and material reviews to assist the purchasing and commercial departments in creating customer estimates.
 - **Additional Duties:** Perform any other tasks within your capabilities as directed by the company.
 - **Customer Focus:** Understand and meet or exceed customer needs at all times.
-

Skills and Experience Required:

- **Technical Knowledge:** Strong understanding of DC/AC motors and the ability to read electrical circuits and pneumatic diagrams.
 - **Mechanical Skills:** Excellent mechanical skills.
 - **Aviation Experience:** A background in an aviation environment is essential, with previous experience in a similar role preferred.
 - **IT Skills:** Proficient in MS Office and business systems and procedures.
 - **Documentation:** Ability to interpret manuals and record inspection findings accurately.
 - **Planning and Organisation:** Excellent planning and organisational skills.
 - **Teamwork:** Team player with excellent written and oral communication skills.
 - **Safety and Attention to Detail:** Must be safety conscious with a high level of attention to detail.
-

Join Inflite, where your skills and expertise are recognised and rewarded. This is your opportunity to advance your career in a supportive and innovative environment.
