

Job Title: Power Plant Technician

Department: HYD/PPB

Reports To: Workshop Supervisor

Location: Southend-on-Sea

Working Hours: 40 hours per week, 0800 hours to 1630 hours, Monday to Friday

Job Purpose:

To work in the Hydraulic and Power Plant shop, carrying out repair and overhaul of all component repairs in line with quality and safety requirements..

Main Responsibilities and Duties:

- **Component Overhaul and Repair:** Overhaul, inspect, and repair hydraulic and power plant components in accordance with original manufacturers' manuals and instructions.
 - **Quality Assurance:** Ensure quality standards and procedures are observed and maintained.
 - **Safety Compliance:** Establish and maintain a legally compliant and safe working environment.
 - **Report Preparation:** Prepare workshop reports and material reviews to assist the purchasing and commercial departments in creating customer estimates.
 - **Customer Satisfaction:** Understand customer needs and ensure these are met or exceeded at all times.
 - **Team Training:** Assist with training all team members.
 - **Procedural Knowledge:** Maintain knowledge of our MOE (Maintenance Organisation Exposition) and company procedures.
 - **Additional Duties:** Perform any other duties within your capabilities as directed by the company.
-

Skills and Experience Required:

- **Regulatory Compliance:** Understanding of delivering maintenance repair and overhaul of aircraft components with EASA Part 145 regulatory requirements.
 - **Aviation Background:** A background in an aviation environment is essential, with previous experience in a similar role preferred.
 - **Technical Proficiency:** Good understanding of MS Office and business systems and procedures.
 - **Manual Interpretation:** Ability to interpret manuals and record inspection findings accurately.
 - **Organisational Skills:** Excellent planning and organisation skills.
 - **Leadership Skills:** management and coaching skills.
 - **Team Collaboration:** Team player with excellent written and oral communication skills.
 - **Safety Focus:** Must be safety-conscious with a high level of attention to detail.
-

What We Offer:

- **Competitive Salary:** We recognise and reward your skills and expertise with a salary that reflects your contributions.
- **Generous Annual Leave:** Enjoy increasing annual leave entitlement as you grow with us.
- **Salary Exchange Pension Scheme:** Secure your financial future with our comprehensive pension plan.
- **Employee Assistance Programme:** Receive support for your mental and emotional well-being.
- **Life Assurance:** Gain peace of mind for yourself and your loved ones with our life assurance coverage (subject to scheme rules).

INFLITE MRO SERVICES

Inflite MRO Services
