

## **INFLITE ENGINEERING TERMS & CONDITIONS**

### **User Agreement and Terms of Use:**

Use of the [inflite-engineering.co.uk](http://inflite-engineering.co.uk) ("we", "us", "Inflite Engineering Services Ltd.", "inflite-engineering.co.uk") website and other group websites ("the site") constitutes acceptance of the Inflite Engineering Services Ltd. User Agreement ("the agreement") and Terms of Use ("terms"). The user of the site ("you") represent that you have read and understood these terms and agree to be bound by them. If you do not agree to all the terms and conditions on this page, please do not use this web site. Use of any internal or external links on [inflite-engineering.co.uk](http://inflite-engineering.co.uk) constitutes acceptance of the terms on this page. If you do not agree with these terms, please exit this site by closing the browser window.

In order to use this site you must agree to be legally bound and to abide by the terms and to indemnify and hold Inflite Engineering Services Ltd. and [inflite-engineering.co.uk](http://inflite-engineering.co.uk) harmless from all alleged or actual damages, claims and expenses relating to any warrant, guarantee or representations made on the website or linked sites. This also includes, without limitation, attorney's fees. The use of this site for any reason is deemed to be an agreement of this condition.

### **Disclaimers**

Bearing in mind that this is a free "public access" site, it is a condition of use of the site and the materials in it that use is at the user's own risk. We give no representation or warranty as to the accuracy of the content of the site and assume no responsibility for errors or omissions in it or the effect it has upon your computer. We disclaim all liability in respect of such information and its provision. Neither Inflite Engineering Services Ltd. nor any of the site's editors or contributors shall be liable for any loss or damages suffered as a result of any use of the site, including but not limited to direct loss, consequential loss and loss of profits. We do not assume, and therefore disclaim, any liability for any loss or damage caused by errors or omissions. [inflite-engineering.co.uk](http://inflite-engineering.co.uk) is provided on an "as is" and "as available" basis. We shall not be liable for any direct, indirect, incidental, special, or consequential damages. This includes, without limitation and even if we are advised of the possibility thereof, any damages for loss of goodwill or any and all other commercial damages or losses including loss of profit, that result from the use of, or inability to use [inflite-engineering.co.uk](http://inflite-engineering.co.uk). In no event will Inflite Engineering Services Ltd. be liable for indirect injury.

### **Third party disclaimer**

Inflite Engineering Services Ltd. disclaims any responsibility for the content of any third party materials provided through or on this Internet site. Individual merchants listed on this site provide their own order processing and customer service. Any recommendation made on this site is a personal opinion only and does not constitute any form of warrant, guarantee, promise or assurance. The merchantability or fitness for a particular purpose of any product is not guaranteed.

### **Indemnity**

In order to use this site, you must agree to be legally bound and to abide by the terms and to indemnify and hold Inflite Engineering Services Ltd. harmless from all alleged or actual damages, claims and expenses relating to any warrant, guarantee or representations made by the individual merchants or linked sites. This also includes, without limitation, attorney's fees. The use of this site for any reason is deemed to be an agreement of this condition.

### **Availability of service**

We do not warrant or guarantee that the Inflite Engineering Services Ltd. website service will be uninterrupted or error-free. We do not make any warrant or guarantee, either expressed or implied as to the accuracy, validity, completeness, suitability, reliability, or currency of any information content within its site or sites to which it is linked. No responsibility will be accepted for call charges sustained as a result of automatic connection to the internet due to advertisers page refresh commands or for any reason. It is the visitor's responsibility to disable automatic connection in their Internet settings.

### **Links and site content**

Links to other web sites are provided solely as a resource guide and do not represent an endorsement or guarantee, either expressed or implied. Inflite Engineering Services Ltd. does not assume any liability for any of the products, services, or data of any other sites. inflite-engineering.co.uk is a facilitator of links to the content of other sites and as such has no editorial control over the content of such linked sites in the same manner that a public library has no control over the content of the books that it distributes. It is the responsibility of the user to evaluate the information, opinion, advice, or other content contained within the site. Where a comment or advertising message is labelled "free", visitors should check that this is currently the case before proceeding. Inflite Engineering Services Ltd. cannot verify the validity or quality of any inclusions contributed by a third-party. If you believe any link to a third-party site found within the inflite-engineering.co.uk website infringes your intellectual property rights, please contact us in writing so that we may review any alleged infringement. This site has not verified, reviewed or approved all linked sites and makes no representation warrant or guarantee as to any such sites accuracy or suitability.

Through its links, [inflite-engineering.co.uk](http://inflite-engineering.co.uk) is offering access to a wide range of information, including historical materials that may contain negative stereotypes or offensive terminology. All such materials must be viewed in the context of their relevant time period. If you have any enquiries and disputes with linked sites, they should be directed to the individual sites involved. We reserve the right to cancel or refuse orders for items or services offered at an incorrect price on [inflite-engineering.co.uk](http://inflite-engineering.co.uk) or through its links. We cannot be held responsible or liable for any loss or damage due to reliance on information obtained through [inflite-engineering.co.uk](http://inflite-engineering.co.uk).

### **Information indemnity**

The user agrees not to rely on any information obtained from [inflite-engineering.co.uk](http://inflite-engineering.co.uk) and indemnifies us from mistakes, omissions, errors, interruptions, delays of service or performance, defects, harmful components, viruses and bugs, howsoever caused. It is the user's duty to execute anti-contamination or virus software and ensure that any information, if contaminated or infected, will not damage the user's information or system. The entire risk as to the use of [inflite-engineering.co.uk](http://inflite-engineering.co.uk) is with the user. Inflite Engineering Services Ltd. is not responsible or liable for telephone, network, ISP, electronic, computer or other communication problems or failures of any kind. Personal information sent to [inflite-engineering.co.uk](http://inflite-engineering.co.uk) is at the sender's own risk. Educators should review a website before directing students to it. Sites change frequently and might contain different content than on a previous visit. Price and availability information is subject to change without notice. Currency conversions are indicated for convenience only and should not be relied upon.

### **Severance**

If a term, covenant, provision, or condition of this agreement becomes, or shall be held by any court of competent jurisdiction to be against public policy or illegal, all remaining provisions of this agreement shall remain in full force and effect and unaffected, impaired or invalidated by this decision. The invalidated item shall be modified by the parties to the full extent possible to carry out all the intentions and directives stated in this agreement.

### **Governing law**

Any such contract will be interpreted, construed and enforced in all respects in accordance with the laws of England, and you and Inflite Engineering Services Ltd. irrevocably submit to the non-exclusive jurisdiction of the English Courts. This agreement is governed by English law and all disputes will be handled solely in the United Kingdom. English Courts will have jurisdiction in respect of it. You consent to such venue and jurisdiction. Inflite Engineering Services Ltd. controls and operates its website from its offices in the United Kingdom and makes no representations or warranties that its content or use is legal in other locations.

## **Variation**

Whilst it is not our intention to do so, Inflite Engineering Services Ltd. reserve the right to change its policies and terms at any time. Any such changes will be posted on this page. Price and availability information is subject to change without notice. We do not assume, and therefore disclaim, any liability for any loss or damage caused by errors or omissions.

## **Important note**

The advice and information provided by Inflite Engineering Services Ltd. is for general help and guidance only and anyone at all unsure of how to deal with a specific problem should consult an appropriate professional. We do our utmost to bring you relevant and reliable information, but we can take no responsibility for any advice offered.

## **Headings**

Headings are for reading convenience only and are not to be used in the interpretation of this agreement.
